Experience

Webkul

UI - UX Designer | Sept 2020 - Present

Currently working on research and design work for mobile apps and web apps for eCommerce, CRM and POS systems.

StarClinch

UI - UX Designer | Aug 2019 - Sept 2020

StarClinch is India's biggest live artist discovery platform. I designed the dashboards (mobile and web) for users (artists) to track their gigs, income and public profiles.
